

VIVA LAS VEGAS

Heading to Sin City? *Cirque du Soleil* has a whopping seven shows to entertain you.

THE SHOW	THE BASICS	BE ON THE LOOK OUT FOR...
Mystère	The first permanent <i>Cirque du Soleil</i> show in Sin City, <i>Mystère</i> is known as "a flower in the desert" and combines signature acrobatic acts with powerful music and colorful costumes.	A pair of chameleon characters that slither so convincingly you'd swear they were reptilian.
"O"	Immersed in 1.5 million gallons of water, world-class acrobats, synchronized swimmers and divers offer up a breathtaking experience.	Synchronized swimming. Every "O" cast member is SCUBA certified.
Zumanity	The first adult-themed <i>Cirque du Soleil</i> show, this production is intent on giving up the goods through song, dance and acrobatics.	An on-stage orgy. Hedonism never had so many sequins.
KÀ	A heroic tale of twins performed on a rotating stage, <i>KÀ</i> presents an adventurous coming-of-age journey.	A fully-realized shipwreck on stage. The boat weighs nearly 1,800 pounds and is rocked and turned entirely by the cast onboard.
The Beatles LOVE	All you need is love in this moving celebration of the Beatles' legacy marred with the signature performance style of <i>Cirque du Soleil</i> .	A masterful medley of "Being for the Benefit of Mr. Kite! / I Want You (She's So Heavy)/Helter Skelter."
CRISS ANGEL Believe	The mind-freak himself combines his magical illusions with <i>Cirque du Soleil</i> puppetry and showmanship for a truly mystifying experience.	Lucky, the talking rabbit, who tries to take over the show only to meet a terrible fate.
Viva ELVIS	The King reigns again in this brand-new, rollicking tribute to Elvis's expansive catalog of classics, fusing rock & roll with acrobatics.	An onstage nine-person band that keeps the show rocking to the King's famous tunes.
